

Thank you for choosing Tidal River Christian Camp

Tidal River Christian Camp is a non-profit summer camp. For 46 years TRCC has been teaching about our Lord and Savior, Jesus Christ. Many congregations from New England (Rhode Island, Connecticut, Massachusetts, New York, and many more) have been working together to make this ministry possible.

TRCC usually starts in the first week of July and goes for four (4) weeks. The first two weeks are "Junior Weeks" for Children ages 8-12 and the last two weeks are "Senior Weeks" for children ages 13-18.

We are bringing back the Friday Night Skit Night as part of our beloved program. For many years those at camp can remember the funny skits and beautiful singing to close out each week of camp. We hope you will join us this year and continue to make this experience as memorable as it was for us growing up.

**Please make sure that medical forms
are within 3 years of the camping season.**

TIDAL RIVER CHRISTIAN CAMP SUGGESTIONS FOR CAMPER DISCIPLINARY PROCEDURES

The Board of Directors recognizes that during the day-to-day operations of the camp some campers may cause a disruption in the camp environment. In order to ensure a camp environment that is safe and ensures that each camper has the best camping season possible the Board has suggested the following disciplinary options.

First Offense: Verbal Warning

Second Offense: Temporary loss of privileges (i.e.: 10 minutes off swimming; loss of one canteen item; additional chores or clean-up details)

Third Offense: Extension to loss of privileges

Continuous behavior causing the need for continued discipline should be referred to the Camp Director and may result in that camper being sent home from camp.

Insubordination or failure to abide by the major aspects of the camps discipline policy should be referred to the Camp Director for appropriate disciplinary action.

Note:

No disciplinary options should take away from another scheduled camp activity unless the staff member supervising that time period is consulted.

At no time should any camper be exposed to any type of discipline that would result in physical contact between the camper and another individual.

Adopted:02-02-2002

General Guidelines for T.R.C.C.

Who May Attend:

Campers are welcome from among members of the churches of Christ and anyone who is recommended by a responsible member of the church.

Cars/Vehicles:

No cars, belonging to campers will be allowed to remain on the campgrounds during the week. Campers should make arrangements for transportation to and from camp.

What to Bring:

BIBLE, sleeping bag or other bedding (sheets, blanket, pillow), towels and wash clothes, toiletries (soap, toothbrush, toothpaste, etc.), swimsuit, flashlight, pen, pencil, bug spray, general camp clothing (see policy regarding clothing below). Please mark linens and towels appropriately so that they can be easily identified.

Clothing:

1. Modest apparel will be required at all times. Modest apparel includes jeans or comparable pants or mid-length shorts (suggested length is 2" from the top of the knee) and T-shirts or other suitable camp shirts and blouses.
2. The following clothing will not be allowed
 - a. Short Shorts (see above for suggested length)
 - b. Tank tops or sleeveless blouses
 - c. Excessively tight-fitting pants / tops
 - d. Any similarly revealing, suggestive, or inappropriate apparel.

Habits/Behavioral Expectations:

1. No smoking will be allowed on the campgrounds by campers or by staff.
 - a. Counselors are required to report any smoking incidents to the Camp Director.
 - b. Campers found smoking may be sent home at the discretion of the Camp Director, without tuition refund.
2. The use of alcoholic beverages or any other drugs on the campgrounds is strictly prohibited. Any violation of this rule will bring automatic dismissal from camp, without tuition.
3. The Camp Director has the authority to assess any behaviors which may effect the safety of campers, staff, or camp facility. Dismissal of any camper will be at the discretion of the acting Director.

T.R.C.C. Bullying / Safe Climate Policy

It is the policy of the TRCC Board of Directors that any form of bullying behavior is expressly forbidden.

The Board also prohibits any form of bullying behavior in between camping sessions if such bullying:

- creates a hostile environment at camp for the camper against whom such bullying was directed;
- infringes on the rights of the camper against whom such bullying was directed at;
- substantially disrupts the orderly operation of camp.

Discrimination and/or retaliation against an individual who reports or assists in the investigation of an act of bullying is likewise prohibited.

For purposes of this policy, "bullying" shall mean the repeated use by one or more campers of a written, verbal or electronic communication, such as cyberbullying, directed at or referring to another camper, or a physical act or gesture by one or more campers repeatedly directed at another camper, that:

- causes physical or emotional harm to such camper or damage to such camper's property;
- places such camper in reasonable fear of harm to himself or herself, or of damage to his or her property;
- creates a hostile environment at camp for such camper;
- infringes on the rights of such camper;
- substantially disrupts the orderly operation of camp.

Bullying shall include, but not be limited to, a written, verbal or electronic communication or physical act or gesture based on any actual or perceived differentiating characteristics, such as race, color, religion, ancestry, national origin, gender, socioeconomic status, academic status, physical appearance, or mental, physical, developmental or sensory disability, or by association with an individual or group who has or is perceived to have one or more of such characteristics.

For purposes of this policy, "Cyberbullying" means any act of bullying through the use of the Internet, interactive and digital technologies, cellular mobile telephone or other mobile electronic devices or any electronic communications.

Campers who engage in bullying behavior shall be subject to camp discipline up to and including removal in accordance with the Board's policies on camper discipline

The Board also implements the following Safe Climate Plan for use during the Camping Season:

- Campers will be enabled to anonymously report acts of bullying to Counselors, Directors, or any other Camp Personnel,
- Parents or guardians of campers may file written reports of suspected bullying,
- Camp Staff who witness acts of bullying or receive reports of bullying will orally notify the Camp Director or his designee and will file a written report no later than one camp day after making such oral report,
- The Camp Director or designee will investigate or supervise the investigation of all reports of bullying and ensure that such investigation is completed promptly pending receipt of any written reports made under this section;
- The Camp Director or designee will review any anonymous reports (provided that no disciplinary action shall be taken solely on the basis of an anonymous report),
- The Camp Director or designee will notify the parents or guardians of students who commit any verified acts of bullying and the parents or guardians of students against whom such acts were directed no later than 24 hours after completion of the investigation.
- The Camp staff will prohibit discrimination or retaliation against an individual who reports or assists in the investigation of an act of bullying;
- The Camp Director will direct the development of camper safety support plans for campers against whom an act of bullying was directed that address safety measures the camp will take to protect such campers against further acts of bullying;
- The Camp Director will, after consulting with the parents of both parties and the President or Vice President of the Board of Directors, notify the appropriate local law enforcement agency when such Director believes that any acts of bullying constitute criminal conduct;
- The Camp Director will submit a written report to the Board of Directors regarding any and all acts of Bullying for discussion in Executive Session at the First Regular Board Meeting following the camping season.

ATTENTION PARENTS:

In order to provide the safest and securest environment that we can as well as to maintain the camp program that has been planned we request that Camper Visitations during the camp week do not occur. We do realize that in some emergency situations it may be necessary for you to visit the camp or get a message to your child so the Board of Directors has adopted a Visitors Policy that we ask you to abide by.

It is the policy of the Board of Directors of Tidal River Christian Camp that ALL PERSONS intending to visit the camp MUST CALL AND RECEIVE PERMISSION from the Acting Director before leaving to come to camp. Upon arrival, ALL VISITORS must report to the Nurses Cabin and SIGN IN the visitor's logbook. Please note that this policy only exists for emergency situations; we ask that you make every effort possible to not visit your child or the camp while the camping weeks are in session.

Please take a look at our procedures for Pickup and Drop-off.

Pickup & Delivery Procedures

Delivery:

The Delivery of your children at 3:30 PM Sunday is possibly the most trying on the counselors and camping staff. Please be advised that the Camping staff has no idea as to who is a camper and who is not. Each parent/guardian ought to keep their children with them until they have registered and have taken their children to their counselor and have meet him/her.

During the registration process each parent/guardian will be asked to fill out a sign out form for those that can sign out their child through out the week.

This is done to provide the safest environment possible for your children.

Pickup:

Pickup of your children is on **Friday Night** between 7PM and 8PM.

Parents may be asked to show proper ID at the gate leaving camp grounds and MUST be on the approved list that was signed during registration.

Miscellaneous:

Many shirts and pants and shoes and "things" get left behind at the end of camp. There is a lost and found which no one seems to visit or parents have no idea what their children own. There are bags full of these things at the end of the camping season. Please don't let these clothes go to waste.

News from the Nurses Cabin

Hello All!!!

It's a new year for camp with lots of changes at the nurses cabin and what we need to do to bring your child to camp...

We are transitioning over to online registration with submission of your medical forms PRIOR to arrival to camp. All campers need to have the appropriate forms completed and approved prior to camp.

We will no longer have **over the counter medications** available for campers. If your child takes any medication....including over the counter allergy, Motrin, Tylenol, Benadryl, vitamins you will need to bring that medication along with a doctors signed order for it.

There is a new requirement by the state for all youth camps. It is called "Plan of care" for your son or daughter. It applies to any child that may have a health concern that staff needs to be aware of, that may occur at camp. It includes medical and behavioral intervention. You may already be familiar with this as it is often in place at schools. Some examples of a plan of care would be if your child takes an inhaler or other medication on a "as needed" basis. The camp needs a written document outlining the specific activities, allergies, signs or symptoms and steps to take to care for your child. This would also include any behavior or dietary concerns that need to be addressed at camp. This will need to be signed by our overall medical administrator, the nurse for the week, the counselors and camp director. This will need to be uploaded prior to camp in the camp portal.

ALL medications need to be labeled, prescription medication must be in the original pharmacy box with the typed prescription and dosing instruction. The medication MUST match the order written by your doctor. We cannot have any medications that do not match or are expired. EACH medication must have A SEPERATE form filled out. If your child takes 3 medications, there should be 3 separate forms completed and signed. Please carefully check the bottom of these forms, they require a parents signature at the bottom giving staff volunteers permission to distribute the medication to your child.

All children need

1. A complete physical examination within the last 36 months.
2. Updated immunization record
3. Parental permission for treatment and care signed
4. Plan of Care (if applicable)
5. Any medication INCLUDING over the counter to be brought to camp with completed forms signed by their doctor submitted online prior to arrival with approval

These need to be uploaded (prior to June 15th) and approved prior to dropping your child off at camp. Once your child is approved, they can legally and thankfully be dropped off at camp :)

The originals of all submitted documents MUST be taken to camp at time of check-in.

With the increasing paperwork for camp required by the state, we can no longer review all the Medical Requirements at drop off. Thank you for your understanding and cooperation.

Each camper must have completed BEFORE he/she comes to camp.

1. Medical Physical Exam & Immunization Forms signed by a Doctor certifying that Camper has had a physical exam within the last 3 years. NOTE: Doctor's State licence # is required. Medical/Heath forms are acceptable only if the date that accompanies the physician's signature is August 01, 2016 or later.
2. Parental Medical Release Form & Insurance Information signed by parent/guardian giving permission for emergency treatment and/or hospitalization in case of illness or injury.
3. Plan of Care Form (if Applicable) signed by Parents
4. Camper Medical Health Assessment Record Form completed and signed by Parent or guardian.
5. An "Authorization for the administration of Medicines by camper personnel" for EACH Medication and (OTC) Over-The-Counter Parent supplied item, to be given your child at camp. Form should be signed by both the Doctor and Parent.

MEDICAL EXAMINATION MUST HAVE BEEN GIVEN WITHIN 36 MONTHS OF THE DATE OF YOUR LAST DAY AT CAMP.

Upload these forms on our camper portal [http://www.kidscamp.com](#) and als make sure you BRING them when you come to camp.

NO CAMPER WILL BE PERMITTED TO REMAIN AT CAMP ON THE DAY OF REGISTRATION IF HE/SHE DOES NOT HAVE ALL FORMS COMPLETED!!!

Please note the following reminders:

All persons intending to visit camp MUST call **(860) 940-0803** and receive permission from Camp Director before coming to camp. To avoid disruptions to your child's camp experience, parents and guardians are discouraged from visiting during camp week (except for emergencies).

1. Camp will end each week on **Friday night** between 7:00 & 8:30 PM, campers must be picked up at that time. There will be a short program starting at 7:30 PM.
2. Registration will be between 3:30 and 4:30 on Sunday afternoon. We ask that campers not arrive before that time so the staff will have time to prepare for opening of camp.
3. Campers should bring a bag supper for Sunday evening.
4. All medications should be clearly labeled and are to be given to the camp nurse upon arrival at camp.
5. Campers should make arrangements for transportation to and from camp. NO cars belonging to campers will be allowed to remain on the campgrounds during the week.

Health Assessment Record

To Parent or Guardian:

In order to provide the best educational experience, school personnel must understand your child's health needs. This form requests information from you (Part I) which will also be helpful to the health care provider when he or she completes the medical evaluation (Part II).

State law requires complete primary immunizations and a health assessment by a legally qualified practitioner of medicine, an advanced practice registered nurse or registered nurse, licensed pursuant to chapter 378, a physi-

cian assistant, licensed pursuant to chapter 370, a school medical advisor, or a legally qualified practitioner of medicine, an advanced practice registered nurse or a physician assistant stationed at any military base prior to school entrance in Connecticut (C.G.S. Secs. 10-204a and 10-206). An immunization update and additional health assessments are required in the 6th or 7th grade and in the 9th or 10th grade. Specific grade level will be determined by the local board of education. This form may also be used for health assessments required every year for students participating on sports teams.
